

Assessment Record

FOR AS/A LEVELS AND GCSEs FOR SUMMER 2021

Assessment Record for determining teacher assessed grades in Summer 2021

Background

Every centre must produce an Assessment Record for each subject cohort, that includes the sources of the assessment evidence being used and the rationale for the choice of evidence, the level of control for assessments considered, and any other evidence that explains the determination of the final teacher assessed grades. Any necessary variations for individual students must also be recorded.

This Assessment Records takes account of the guidance provided in the document: *JCQ Guidance on the determination of grades for A/AS Levels and GCSEs for summer 2021*

If an assessment objective has been omitted at subject cohort level please briefly outline the reasons why:-

Outline the rationale for the choice of assessment evidence used, i.e. why the evidence above was used and how it supported the grading decision:-

Spanish being a cumulative subject required assessment to be done at the end of the course for accurate grade evidence. Therefore, all evidence which supports the final grade comes from controlled assessment exams in April/ May 2021.
